### ATTENTION INTERESTED BIDDERS:

Your firm is hereby invited to submit to the Contractors listed below, a bid for **FC-6151, Noise Insulation Program Task Order # 3**. The listed Contractors are soliciting bids from qualified Sub-Contractors to provide the following service: Provide acoustical improvements to support the testing and design conducted at various multi-family complexes. The acoustical improvements will meet the goals and objectives established by the program and the FAA.

The scope of work includes, but is not limited to; removal all existing prime windows and doors and replace with acoustic prime windows and door products, trim and associated hardware; Provide additional cellulose insulation in the attic space as designed; framing, gypsum wall board installation and painting as designed; select demolition as designed; installation of new exhaust fans in one restroom per unit with corresponding ductwork and associated electrical; mechanical improvements include new ducted exhaust fans with new ducting; sealing of mechanical closets with new combustion air ducts through attic with roof penetrations. Select properties will require new asphalt shingles, flashing, roofing felt and other related components; acoustic baffling of gable end vents and attic roof vents as designed; removal of existing siding and replacement with fiber cement board lap siding on designated properties; and asbestos abatement as required.

The bid documents may reviewed at the Department of Procurement, Plan Room, City Hall South, Suite 1900, 55 Trinity Avenue, S.W., Atlanta, Georgia, 30303,
